

Remedi Member Care Programme

Who we are

Remedi Medical Aid Scheme (referred to as 'the Scheme'), registration number 1430, is a non-profit organisation, registered with the Council for Medical Schemes. Discovery Health (Pty) Ltd (referred to as 'the Administrator'), is a separate company who is registered as an authorised financial services provider (registration number 1997/013480/07), administers Remedi Medical Aid Scheme.

About the Remedi Member Care Programme

The Remedi Member Care Programme is a voluntary outpatient programme designed to coordinate the care of a selected group of members with complex medical conditions.

The programme aims to provide high quality, planned, person-centred care and chronic condition management. Through the Member Care Programme, we aim to improve the quality, continuity, and efficiency of care by:

- Collaborating with relevant healthcare professionals
- Helping you to get a better understanding of how to manage your conditions
- Assisting you with navigating your specific benefit option benefits

Treatment Journey

An example of a patient's treatment plan may include:

- Review of the patient's needs and necessary healthcare treatment required
- Information about medication, disease control, and applicable risk factors
- Assessment and recommendations around the functional needs of the patient
- Coaching the patient and/or their family on the appropriate support for their unique needs
- Sharing clinical information with all relevant treating healthcare professionals

The treatment will be provided in the most appropriate setting following discussions with all relevant parties

Participation in the Member Care Programme is voluntary

To be part of the Remedi Member Care Programme, you need to provide us with verbal consent during the enrolment call. This consent provides cover for us to assist you on the programme, access and share your personal and medical information with your treating healthcare professionals where appropriate. By providing consent you agree to actively participate and follow the provisions of the programme.

To help you make the most of the benefits offered on the Member Care Programme, a Clinical Care Specialist (Nurse) will be assigned to you.

There is no cost to the programme and your monthly premiums remain unaffected. This programme will be active for a duration of 6 months after which you will automatically be unenrolled. Should you require further assistance thereafter, an extension of enrolment may be reviewed upon receipt of an emailed request from you.

You may opt to withdraw from the programme before the 6-month period lapses (with no penalties) by sending an email with your request to MCP@yourremedi.co.za

POPIA information

The consent will be explained to you in a language you understand and are comfortable with.

You will be given the chance to ask questions, and you feel that all your questions have been answered to your satisfaction.

This consent will not affect routine benefits or the payment of unrelated accounts

As your condition changes, we may introduce other treatment options that are necessary to maintain ongoing wellness.

To provide you with the best possible service, the Scheme may obtain information and results from treating healthcare professional, and hospitals. We may need to share this information with the relevant healthcare professionals to ensure ongoing appropriate care on the programme.

Your information will always be kept confidential

You have the right to access this information, to request that it be rectified if any inaccuracies exist, and to withdraw your consent at any time. You can do so by emailing to MCP@yourremedi.co.za

Remedi uses a third party situated outside of South Africa to provide certain data-processing services related to the Remedi Member Care Programme and the information is transferred to them using a secure method. This third party is subject to strict data protection laws, and we have made provision to ensure that your personal information is always kept confidential. We will not share your information for any other reason without your permission.

You understand the reasons for collecting and processing your personal and health information, and give permission for the Scheme to:

- View the hospital records for you or your dependants
- Discuss the treatment for you or your dependants with the treating healthcare professional
- Suggest alternative care where appropriate, in connection with the individual care plan
- Obtain and process your personal and health-related information as described above
- Transfer the personal and health information for you or your dependants outside the borders of the Republic of South Africa
