DAY SURGERY NETWORKS OF REMEDI

This document details the list of Day Surgery Hospitals (DSN) that Remedi makes available to you for treatment of certain planned procedures in day surgery facilities.

Your treating healthcare provider will guide you regarding the correct facility that you will receive your treatment at and you must contact us to get confirmation of your procedure (pre-authorisation). We will pay for these services from your hospital benefit. We will pay for services related to your hospital stay including all healthcare professionals, services, medicine authorised by the Scheme. If you use doctors, specialists and other healthcare professionals that we have a payment arrangement with, we will pay for these services in full up to the Scheme or negotiated rates. If you go to a facility that is not in the DSN, you will have to pay an amount of **R7,250** upfront.
